Re: Sons of the Revolution

Gentlemen:

As the new membership chair of the Virginia Society of the Sons of the Revolution, I seek your assistance in reaching our goal of 500 members this year. As you may know, your sons, nephews, grandsons or even fathers are eligible for membership by use of our short form application that streamlines the process. The short form application is available on our website www.VSSR.org.

As a Christmas present for my son James two years ago, I gave him a lifetime membership to the VSSR. He was ecstatic! He is one of our proudest members, even though he is away in college. He considers our VSSR events as special family reunions with his uncle and cousin in attendance. I encourage each of you to fill out the short form, which is quite easy to complete, and provide your father, son, grandson, brother and/or other relative with the same excitement and enthusiasm that James has to be in our ancestral society, with members whose forefathers risked everything so we can enjoy the freedom we have today.

Please contact me or Bev Mauck, our Registrar, if you have any questions or need any assistance. My email is rross@midkifflaw.com. Bev Mauck's email is spdrmink@aol.com. Be sure to submit the application(s) at your earliest opportunity so the Board can act on them this year. Happy Holidays!

Very truly yours,

Robert Tayloe Ross
